

- **30" Self-Cleaning Freestanding Electric Range**  
This 30" freestanding range has 4 radiant elements and 5.3 cu. ft. self-cleaning oven for plenty of cooking options. Its ceramic smoothtop cooking surface and upswept rangetop make cleaning up spills quick and easy.
- **1.5 Cu. Ft. Over-the-Range Microwave**  
With 1.5 cu. ft. of convenient cooking space, 1000W of cooking power and 10 power levels, this over-the-range microwave helps you cook meals, heat up a snack or warm a beverage without taking up space on your countertop.
- **24" Tall Tub Built-In Dishwasher**  
This dishwasher features 5 cycles to ensure your dishes are thoroughly cleaned. The UltraQuiet I sound package minimizes operating noise for a quiet kitchen.
- **26 Cu Ft Side by Side Refrigerator**  
This spacious side-by-side refrigerator features 3 adjustable gallon door bins and a humidity-controlled crisper to easily organize your groceries. The 3 SpillSafe glass shelves contain spills for easy cleanup.
